**IRS Form 1098-T**

In January of each year per the IRS guidelines, CBS provides an IRS Form 1098-T to all students who had qualified tuition and other related educational expenses billed to them during the previous calendar year. The form will no longer be mailed because it can be retrieved by logging into the individual student’s account in myrecords.cbshouston.edu and by clicking on 1098-T at the top of their account page.

This form is informational only and should not be considered as tax opinion or advice. It serves to alert students that they may be eligible for federal income tax education credits. Receipt of Form 1098-T does not indicate eligibility for the tax credit. To determine the amount of qualified tuition and fees paid, and the amount of scholarships and grants received, a taxpayer should use their own financial records.
