Dr. William Blocker
President, College of Biblical
Studies - Houston

"On behalf of the College of Biblical Studies-Houston, I salute the Sam Houston Area Council Boy Scouts of America on your Centennial celebration. For 100 years, your organization has fostered and advocated core-values, service, character development, parental involvement and leadership that has shaped our families and children. We also salute your board members and entire staff for your faithful commitment to your mission – preparing young people to make ethical and moral choices over their lifetimes. As one of Houston's oldest community organizations, The College of Biblical Studies-Houston prays that you will continue to impact Houston's families through teaching lifelong values, service and achievement. Congratulations to Sam Houston Area Council Boy Scouts of American on 100 years of serving our city's youth!"
