

## **Logos Bible Software (English or Spanish) License Request Instructions** (rev.12-7-21)

### **What we are offering:**

1. CBS has a limited number “**Temporary Logos Bible Software**” packages in English **or** in Spanish **to give to registered and enrolled CBS students for free.**

**English: Logos 9 Full Feature Upgrade, Logos 9 College of Biblical Studies Houston Library**

**OR Spanish: Logos 9 College of Biblical Studies Houston Spanish Library (features included)**

2. These are **Temporary Logos Bible Software Licenses** granted for each semester. A “Temporary License” means the student does not permanently own the license unless they graduate from a degree program after obtaining Logos Software.

This **Logos Bible Temporary License can be revoked** for any of the following reasons:

- a) Student withdraws from CBS or is dropped from courses at CBS
- b) Expulsion from CBS for any reason
- c) Student does not return the following semester to continue their program.

But if the student stays registered and enrolled in courses at CBS the Temporary Logos **Licenses stays active.** At end of the semester if the student does not reenroll for the upcoming semester, then the license is subject to being revoked.

3. License **distribution priorities** will be given first **to all Emerging Leader Students, Students enrolled in Spanish language programs that need the Spanish version of Logos**, then to **all other students** (but revocation of license applies to all students who withdraw or stop taking classes before graduating from CBS).
