Minor: Pastoral Ministries

Purpose: The Pastoral Ministry minor is designed to provide male students with biblical and theological education to serve as a senior pastor or as an associate pastor or minister. The minor intends to equip the student with foundational competencies that will enable him to lead a local church or to serve effectively as a part of a pastoral staff. It includes training in preaching, shepherding, and exposure to many areas of pastoral ministry. It is CBS' conviction from the Scriptures (see 1 Timothy 2;11, 1 Timothy 3:2, Titus 1:6, etc.) that women are not assigned the office position of pastor for the local church congregation. Since these courses are designed for the office position of pastor, the College asks female students to respect CBS' conviction and not select MSPM courses or the minor.
