

# Meeting the Challenges of Today's Christian Community

Through transformative curriculum, programs, and training

## Every Student at CBS Experiences a Transformative Discipleship Journey

The College of Biblical Studies seeks to be intentional about making disciples who make disciples. CBS has created a discipleship program that is embedded within all curriculum.

## Grace, not race. Making this the Generation of Reconciliation

Grace Relations, a CBS ministry, equips ministries, businesses, and individuals to engage in "us and us" conversations rather than "them and us" through workshops, self-study, curriculum, and more.

## Tackling Father Absence Head On: Tuition-Free Scholarship that Breaks the Cycle

Research and data show how father absence negatively affects children socially, mentally, emotionally, and spiritually. Through the Emerging Leaders scholarship program, young Christian men receive support, counsel, and mentorship while earning an accredited degree.
