**Houston, TX – Experience an Unforgettable Night of Vision, Redemption, and Hope at the Imagine Gala: A Powerful Celebration by the College of Biblical Studies**

**HOUSTON, TX** — The College of Biblical Studies invites the community to an unforgettable evening of inspiration and celebration at its Imagine Gala on Wednesday, June 5, at 6:30 p.m. at the Houstonian Hotel. This signature event will be a night of vision, redemption, and hope—celebrating nearly five decades of impact and honoring lives transformed through biblical truth and Christian leadership.

The evening will feature a special performance by Wintley Phipps, Grammy-nominated gospel singer, songwriter, and world-renowned speaker. Known for his commanding bass-baritone voice, Phipps has moved audiences across the globe and inspired U.S. presidents, world leaders, and communities with his messages of faith and perseverance.

A highlight of the evening will be the presentation of the Lifetime Achievement Award to Lynda and David Tauber in recognition of their decades of faithful service to CBS and their remarkable impact on the Greater Houston community. Their legacy of generosity and servant leadership exemplifies the mission and heart of CBS.

Now celebrating its 49th year, the College of Biblical Studies continues its mission to equip multi-ethnic Christian leaders with a deeper knowledge of God's Word through truth, training, and transformation. CBS graduates serve as business leaders, educators, nonprofit executives, counselors, pastors, and prison ministers—bringing the hope of Christ to families and communities in Houston and around the world.

Sponsorship opportunities are available and proceeds from the event will support student scholarships and the college's ongoing mission.
